

# FRIENDS of the Union City Library

The FRIENDS are a group of community minded people interested in supporting and enriching their public library.

Through Fund-raising and active volunteer participation, FRIENDS supplement regular library services and materials. They also lend political support to the library and encourage greater communication between the library and the community.

YOU can help make your library even better. Your time, talents, or money will help support library programs, provide special equipment, and enhance library services. Both you and your community will benefit.

**Join Today!**

**ANNUAL MEMBERSHIP DUES**

- Individual. . . . . \$5.00
