 Alameda County
LIBRARY
...Infinite possibilities

www.aclibrary.org

Free2B Impressed!

And – free to see clearly the return on investment of the tax dollars and donations that provide funding for the Alameda County Library.

The Alameda County Library is open 351 hours a week to provide a collection of 1.1 million items as well as other important services and programs to the 528,000 people in our service area.

The 202 staff members of the Alameda County Library made the following impressive service possible; a simple comparison of the number of staff versus the numbers that reflect our work with our communities will give you a good idea of the excellence and commitment of your library staff.

In 2007/2008, these dedicated people:

- ❖ Greeted and helped 4.3 million customers
- ❖ **Checked 5.6 million books, DVD's and other materials** out and in – which
 - Resulted in a 4% increase in circulation over 2006/2007
- ❖ Planned and presented programs to 115,000 customers
- ❖ Welcomed 2 million customers to our 24/7 library (www.aclibrary.org)
 - Who viewed 84 million Alameda County web pages

As the Alameda County Library moves forward with its Strategic Vision and Plan, you will see the results reflected in the 200/2009 Annual Statistics. Stayed tuned to continue to be impressed!

My thanks to all Alameda County Library staff for their strong commitment to excellence and to the Technical Services, Information Technology Administrative Secretarial staff for the time spent collecting and formatting this information.

Jean Hofacket
County Librarian

¹ Number of requests received from Alameda County Library customers.

² Number of requests filled for Alameda County Library customers.

³ Fill Rate = (Total number of Requests Filled / Total number of requests received from patrons) x 100%

⁴ Number of requests received from outside libraries.

⁵ Number of requests filled from outside libraries.

⁶ Fill Rate = (Total number of requests filled / Total number of requests received from outside libraries) x 100%

⁷ Total Transactions = Number of requestes rec'd from Alameda County Library customers + Number or items received from outside libraries + Number of requests received from outside libraries + Number of items sent to outside libraries.
